Employees Activities Branch, OS

1 June 1956

THRU :

[REDACTED]

25X1A9a

Chief, Industrial Division, ORR

Public Speech Engagement in Behalf of CIA

1. This is written in accordance with your telephone request dated 1 June.

25X1A9a

2. At the request of [REDACTED], I am addressing a luncheon meeting of the Machinery and Allied Products Institute on 8 June 1956. This has received the approval of the DDI, and I understand through [REDACTED] it has also been approved by the DCI.

25X1A9a

3. The address is entitled "Soviet Postwar Industrial Growth" and it will be based entirely on unclassified sources. For the most part it will follow notes prepared by [REDACTED] in connection with an address he gave to the Machinery Institute Executive Committee in March, and it will follow the lines of a portion of Mr. Dulles' speech delivered in Cincinnati the latter part of April. The address will be given from notes rather than being read as a prepared speech.
